

GREENING NEIGHBOURHOODS TOGETHER

**BE A PART OF POSITIVE CHANGE -
CREATING NATURE SANCTUARIES IN THE CITY**

Imagine your neighbourhood filled with the flowers and birds of Table Mountain. One garden and park at a time, we can make a home for them and bring back the natural Fynbos heritage to urban Cape Town.

**WEDNESDAY AFTERNOON OR
THURSDAY MORNING CLASSES**

**LOCATION:
ROSEBANK, CAPE TOWN**

Join us for an introductory session to our three part training course on practical Fynbos restoration for beginners.

JOIN US!

LEARN TO ...

- GROW PLANTS FROM CUTTING
- SET UP A HOME NURSERY
- PLANT AND CARE FOR FYNBOS

Through this practical course you will learn the basic principles of restoration and how to apply them to your park and own garden

WHY FYNBOS?

- fynbos is beautiful
- fynbos is our natural heritage
- fynbos is unique - is found no where else on earth!

WHY RESTORATION?

- to bring back our endangered birds & bees

WHY PUBLIC SPACES?

- so everyone can enjoy it
- to inspire others to get a fynbos patch
